

Pilar's Cooked Tamales ~ Reheating Instructions

They can be reheated in the microwave by steaming

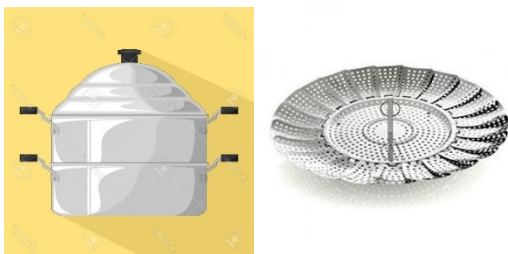

Tamales heated in Microwave

- Remove aluminum foil BUT leave in parchment paper wrap and place on a microwaveable plate and cover with a damp paper towel.
- Microwave for 2 – 3 minutes or until hot.
- Uncover, remove parchment paper and serve hot.

OR

To Steam Tamale

- Remove Tamales from package. Leave in foil wrapper and steam in a steamer for 20 minutes or until hot. Don't let pot boil dry.
- Unwrap tamales and serve hot.

Enjoy Pilar's Tamales on their own, or with your favorite salsa.
